Greg Krause – Owner/Head Coach Greg grew up in Manhattan Beach playing as a kid on the beach after school and continued at Mira Costa High School, where she earned all league first team honors, went to coach at Mira Costa for 3 years. His passion for the game and the natural ability to teach has led to the success of many high school and club teams. He has been on the court for 40 years and dedicated his career to the game. Greg is a player, coach and AVP referee. Greg wants to share his knowledge and passion for the game to bring children to the greater Placer County area. He now lives in Newcastle and has been promoted to area teams since 2008. His proudest accomplishments are not many championships and accolades, but keeping witness to the new generation of players who take flight under his leadership. Terms of Use | Privacy Policy Switch to mainstream content I am an all around athlete. I love playing high school volleyball, basketball, softball and football. I have had competitive indoor volleyball since I was ten years old, and competitive sand volleyball since I was thirteen years old. I'm very excited about the opportunity to continue playing volleyball in college. I have been very fortunate to have excellent coaching from a young age with experienced volleyball coaches. I have strong fundamentals, fast movement on the court, and a strong leap to serve finishing 3rd in the nation with max preps serving aces during my 2016 varsity season. As a starting setter and team captain for my High School Varsity Team, I try to lead by example while promoting my teammates. I am competitive and to sway excellence. I am coachable and always have a desire to improve my contribution to the team. I am also trying to be one of the hardest working players on my team. Academic excellence is very important to me. I study hard inside and outside the classroom to maintain a high GPA. My career goal after playing volleyball is to become a pediatrician. I also volunteer to coach a high school volleyball team and volunteer in my church. I want to attend college where I can push myself into class and court. I ultimately want to find the right college to match my academic goals with the opportunity to play volleyball at the highest level of competition possible. Thank you for your attention. I look forward to the opportunity to meet with you personally to see if my experience, strong work ethic, team management, and athletic abilities could help make your team stronger in the future. Auburn Aces Volleyball Club is a community-based volleyball club in Auburn, CA. This club was established in 2011 to promote quality, affordable volleyball for young girls in our region. We're under Director Jennifer Wright, two hours NCAA Champion and Head Coach Placer High School Girls Volleyball. The club wants our families to have a quality experience that is organized and professional. Our focus will be to play competitive, organized volleyball leagues and give players a solid experience to improve their volleyball skills. Our staff will be dedicated to providing our athlete with a quality volleyball experience that will focus on the basics and techniques leading athletes to higher playing levels. We will provide our athletes with the opportunity to continually improve their skills with dedication, hard work and competitive play in a positive learning environment. COMPETITION, COMMITMENT, COOPERATION, COMMUNITY! COVID-19 ISSUESDear Ignite Families, We unfortunately have been making a statement to stop using our equipment from 3/16/20. Please read the message from the area below and the following text. In the afternoon, Thank you for hiring our options and running your programs at school sites. I apologize for the late announcement, but I have been asked to let the facility's tenants know that the Roseville City School District is going to stop using our sites starting at 3/16/20 due to COVID-19. I let tenants know when the use of the facilities will be available to the public again, but now we have followed the latest recommendations by The Governor of Newsom and the Placer County Health Department, which recommends not to have large groups gathering and promote social distancing practices. I will send out emails about the start of equipment rentals again when I receive this information. Also, if your program is to pay compensation I will get those issued when I have full dates of loss. Thank you once again for your support- I appreciate your understanding of how we follow the current COVID-19 guidelines. Vickie MaileyAdministrative and FacilitiesUp to further notice, the practice of Eich is canceled after this Friday. We are currently looking for a way to continue to practice in different facilities, and/or to determine the best route ahead of the season. As many of you can expect, there are many unknowns in the air here. We would love to continue our commitment to our athletes, but it is clear to us exactly how to proceed. Please expect some clarity over the next 48 hours and we thank you for your patience in THE IGNITE VOLLEYBALL CLUB MISSION TO IGNITE VOLLEYBALL CLUB ROSEVILLE CALIFORNIA NOW HAS BOTH YOUNG GIRLS AND BOYS TEAMS!
